About the Institution

A government-aided general degree-undergraduate college, Buniadpur Mahavidyalaya, was established on the auspicious day of 13th June 2007. Although the college has recently come under the jurisdiction of Buniadpur Municipality, situated at Buniadpur, just 1.5 km. from Buniadpur Railway Station on SH-10A highway, the institution is basically located still in a rural surrounding, free from the din and bustle of the city-life. The college was formerly affiliated to the University of North Bengal since its inception in 2007, then subsequently and permanently affiliated to the University of Gour Banga in 2008. The Mahavidyalaya is recognized by the UGC u/S 2(f) on 3rd June 2013 & 12(B) on 18th January2017. The Mahavidyalaya has in its possession 4.23 acres of land.

Buniadpur Mahavidyalaya is situated in an economically & educationally backward area primarily to serve the students from backward communities namely Schedule Caste, Schedule Tribe, Minority and other backward classes. Majority of the students are 1st generation learners and majority of them have opted for Under-graduation degree/ diploma/certificate course (as per CBCS & the ongoing NEP-2020 course pattern) for having the college at their doorsteps. The college provides B.A. General and Major programmes, encompassing eight Major and General subjects (Sanskrit, Bengali, English, History, Political Science, Education, Philosophy & Sociology). Although with a humble strength of teaching faculty but an impressive student strength, Buniadpur Mahavidyalaya grapples with daunting challenges, the institution remains steadfast in its commitment to ensuring quality learning experiences for its students. The college employs a dynamic and interactive teaching-learning process, nurturing critical thinking. Other than the university conducted exams, the evaluation strategy of the college includes regular internal exams and diverse assessment methods.

The institution has Memoranda of Understanding with mentionable institutions and organisations for knowledge and skill enhancement for students, & actively promotes continuous learning through various programmes/seminars/workshops/add-on courses/skill-development initiatives etc. and boasts a well-equipped library with e-learning resources, provides scholarship facilities, and provides career counselling and placement opportunities. Additionally, community engagement through NSS& NCC, ICT-based facilities, security measures, anti-ragging & anti-sexual harassment initiatives, emphasis on sports and culture and commitment to environmental sustainability contribute to a holistic and enriching educational environment.

The West Bengal Student Credit Card Scheme was introduced by the Higher Education Department of the West Bengal government in June 2021. The scheme offers collateral-free loans of up to ₹10 Lakhs, helping students pursue higher education without getting burdened by financial hurdles.

The main objective of this scheme is to provide financial assistance, irrespective of the student's family background. The West Bengal government will provide credit cards with a maximum limit of 10 lakhs at a simple nominal interest rate of 4% so that the student can get the funds to be needed for their study.
