Report on Online Session cum Seminar on the Topic: “Sensitisation of Students Regarding Evils of Dowry System in Our Society”

Buniadpur Mahavidyalaya

Date: 01 May 2026 | Time: 01:30 PM-3 PM | Mode: Google Meet

A sensitisation session-cum-seminar on the topic “Sensitisation of Students regarding Evils of Dowry System in Our Society” was successfully conducted on 01 May 2026 (Friday) through Google Meet from 1.30 PM to 3.00 PM, as directed by the Director of Public Instruction, Education Directorate, Govt. of West Bengal. The programme was held in online mode in compliance with the requisition of the college in view of the **West Bengal General Legislative Assembly 2026**. The session was also streamed live through the official Facebook page of Buniadpur Mahavidyalaya, ensuring wider outreach (Facebook Live Link: <https://www.facebook.com/share/v/18aXJdGysh/>).

The event was jointly organised by the IQAC, Vishakha Cell, Women Empowerment Cell, and Equal Opportunity Cell of Buniadpur Mahavidyalaya in collaboration with Advocate Abhik Sinha, under the terms of a previously signed MoU. A total of 120 students attended the session, out of which 58 students have submitted their online feedback so far (Feedback link: <https://docs.google.com/spreadsheets/d/1DxnxcNUguw2Ed2YPU-PeRIS5aAayIbLYBwn09GIOR6M/edit?usp=sharing>).

The programme was inaugurated and coordinated by Dr. Tanima Dutta, IQAC Coordinator and Coordinator of the Vishakha Cell, Women Empowerment Cell, and Equal Opportunity Cell, who in her address highlighted the pressing need for awareness and collective action against the dowry system. This was followed by the welcome speech delivered by the Teacher-in-Charge of Buniadpur Mahavidyalaya, Dr. Ramatosh Sarkar, who emphasised the importance of such sensitisation initiatives within the academic environment.

The resource person, Advocate Abhik Sinha, delivered a comprehensive and engaging lecture on the topic. He began his discussion with historical references, tracing the origins and evolution of the dowry system and the prohibitory laws against it in society. He then proceeded to discuss the issue in detail by combining theoretical perspectives with practical examples, and elaborated on the legal provisions related to the dowry system and their implications in contemporary society.

During his address, the speaker also proposed that Dr. Tanima Dutta may, with the consent of students, approach the State Law Commission to advocate for the appointment of Dowry Prohibition Officers at the district level, in accordance with Supreme Court directives.

The session concluded with an interactive segment where students actively participated by raising questions, all of which were addressed by the speaker. Adv. Abhik Sinha stated that students may approach him through the college authorities regarding any such issues, for which he would offer free legal advice and counselling.

The programme was widely appreciated for being insightful, informative, and engaging, and it contributed significantly to raising awareness among students regarding the social and legal dimensions of the dowry system.
